Our Courses

East Course

The East Course, ranked 3rd in Sweden 2020, is a golf course that never ceases to amaze! There's something magical about it, making it both fun and challenging at the same time. Each hole provides a unique experience that keeps you on your toes. Most of the time, it's a difficult and demanding course with deep bunkers and tricky greens. But there are days when everything seems to fall into place, and you feel like a pro. That's the allure of the East Course.

West Course

The West Course has undergone reconstruction and was reopened in June 2021, making it a valuable addition to the East Course. The newly designed course features six delightful par 3 holes, five par 5 holes, and seven par 4 holes. The course presents significant challenges due to the wind and greens, and it is suitable for golfers of all skill levels.
