

GREAT NORTHERN

... WELCOME ...

KERTEMINDE

... DENMARK ...

An aerial photograph of a golf course at sunset. In the foreground, a large body of water reflects the orange and yellow light of the setting sun. A small, circular green with a red flag is situated on a small island in the water, connected to the mainland by a narrow wooden bridge. To the left, a modern clubhouse with a large, dark, angular roof stands on a grassy bank. The background shows a vast expanse of green golf course with several sand traps and a line of trees in the distance under a dramatic, cloudy sky.

A NORDIC PARADISE OF PASSION

On the island of Funen, in between the hills, before the sea begins, lies a place where all senses are awakened; where all noise is muted and time stands still. Guests travel from near and far to enjoy the good life here, undisturbed, captivated and doused in golf, spa and gastronomy extraordinaire.

THE DESIGN

Great Northern is designed by the world-famous Nicklaus Design. The Nicklaus Design team has with great care and respect sought to capture and exploit the beautiful scenery and existing terrain. At the same time, account has been taken of the prominent wind conditions that can play a central role in golf experiences in Denmark - and can change personality and playability daily.
